PAGES 01 ENCLOSURES (NO. & TYPE)

REMARKS

25X1

1. On 1 March 1952, the police headquarters of the Csongrád County announced the desertion of a Hungarian Army soldier of the 1930 class, requesting that, in case of apprehension, [redacted] in Hodmezdvásárhely (Y 7/5 59) be informed.
2. On 7 March, the same police headquarters announced the desertion of a Hungarian Army soldier of the 1926 class and requested that, in case of apprehension, [redacted] be informed.
3. On 12 March, the police headquarters of the Győr County announced the desertion of a Hungarian Army soldier of the 1930 class, requesting that, in case of apprehension, [redacted] in Győr (P 48/Y 44) be informed.
4. Prior to 25 September 1951, a supply unit was quartered in a former brickyard northeast of Nográdvercece (Q 48/H 56). The soldiers of the unit were crimson service color and, during the summer, were trained as bakers.
5. From early October to 23 October 1951, about 34 Soviet soldiers, including 1 captain and about 15 other officers, were seen almost daily in Hegyeshalom (P 48/Y 06). They were billeted in a three-story building and wore blue and red service colors. This Soviet detail made checks on trains going to Austria.

- * [redacted] Comment. [redacted] the infantry regiment which is carried in Szentes (Y 7/0 22) [redacted] is subordinate to the division in Niskunfélegyháza. [redacted]
